Subject: Notification of project start

This letter is to inform you that the project to implement the grant proposal for South South Cooperation approved by the Adaptation Fund Board on 2nd December 2019 will officially be started on 3rd January 2021. Details of the project are provided below:

Implementing Entity: National Environment Management Authority (NEMA)

Country: Botswana

Project Description: Grant to support Botswana Meteorological Services. The support will seek to engage initially in a high-level meeting to solicit government commitment and interactions towards achieving accreditation. In country visits will be carried out with an aim to strengthening the technical capacity to review existing systems and procedures used by Botswana Meteorological Services. The peer to peer technical assistance will also help identify and prepare relevant documents for submission that will lead to AF Accreditation as well develop action plans for existing gaps.

Project Start Date: 3rd January 2021

Expected Project Completion Date: 30th June 2021
