Subject: Notification of project [1 February 2021 to 30 September 2021]:

This letter is to inform you that the project to implement the grant proposal for Technical Assistance for the Project Formulation Grant approved by the Adaptation Fund Board on 29 October 2020 has officially been started. Details of the project are provided below:

Implementing Entity: Environmental Management Agency

Country: Zimbabwe

Project Description: Grant to support technical assessments during project preparation and design. The Agency is developing a project titled, "***Enhancing resilience of communities and ecosystems in the face of a changing climate in arid and semi- arid areas of Zimbabwe.***" Project components include local consultations on existing livelihoods, institutional capacity assessments, subnational and national consultations and project document development.

Project Start Date: [1 February 2021]

Expected Project Completion Date: [30 September 2021]

Sincerely

Steady Kangata
Director Environmental Management Services
