Subject: Notification of project start

This letter is to inform you that the project to implement the grant proposal for Learning Grant for Armenia approved by the Adaptation Fund Board on April 17, 2024, has officially been started. Details of the project are provided below:

Implementing Entity: “Environmental Project Implementation Unit” State Agency of the Ministry of Environment

Country: Republic of Armenia

Project Description: Grant to collect, structure and disseminate knowledge, transfer practical solutions to local communities through strengthened the capacity of EPIU related to innovative land, water and forest management strategies in the view of adaptation to climate change in Armenia. The knowledge and good practices derived from “Artik city closed stone pit and flood management” pilot project and “Strengthening land-based adaptation capacity in communities adjacent to protected areas in Armenia” grant project will contribute to enhancing adaptive capacity of Armenian agriculture by reducing vulnerabilities of farmers, helping to respond promptly in the aftermath of hazards and promoting sustainable development. This initiative will build upon existing collaborations between three leading universities and foster interactions between researchers, experts and farmers, bringing climate adaptation knowledge closer to decision-makers.

Project Start Date: July 8, 2024

Expected Project Completion Date: April 8, 2026

Sincerely,

Armen Yesoyan
