Re: Adaptation Fund financed 'Increasing climate resilience through an Integrated Water Resource Management Programme in HA. Ihavandhoo, ADh. Mahibadhoo and GDh. Gadhoo Islands' (the 'Project'): Request for budget revision.

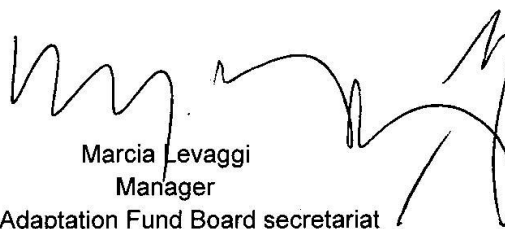

Dear Ms. Dinu,

I am writing with regard to the budget revision request for the project "Increasing climate resilience through an Integrated Water Resource Management Programme in HA. Ihavandhoo, ADh. Mahibadhoo and GDh. Gadhoo Islands" in Maldives that your organization submitted to the Adaptation Fund Board on February 20, 2015.

As you may recall, the Ethics and Finance Committee of the Board had discussed the request in its meeting preceding the twenty-fifth meeting of the Board on April 5-6, 2015, and the Board made a decision based on the recommendation of the Committee, which requested the secretariat to conduct a full review of the revised project.

Following the additional information received from your office between July 2015 and January 2016, the secretariat conducted such a review, and submitted it to the Project and Programme Review Committee of the Board (PPRC) for consideration at its eighteenth meeting on 15-16 March 2016, which preceded the twenty-seventh meeting of the Board on 17-18 March 2015. I am happy to inform you that following the recommendation by the review and by the PPRC, the Board decided to approve the project revision. Please find the relevant Board decision and the PPRC document AFB.PPRC.18/24, containing the revised project document with its annexes, attached to this letter.

Sincerely,

Marcia Levaggi
Manager
Adaptation Fund Board secretariat
