Proposed Decision

Decision:	Dear CTF Trust Fund Committee members,
	As you may recall, in October 2021, the CTF Trust Fund Committee <u>selected</u> four countries to be invited to prepare an investment plan under the ACT program, and submit it to the CTF Trust Fund Committee for review and endorsement. India is one of the countries selected to participate in the program and to develop an investment plan.
	According to the <u>CIF Pipeline Management and Cancellation Policy</u> , investment plans must be submitted for endorsement to the relevant CIF governing body within 18 months from the date the countries are selected. The Government of India has submitted a request for an extension till November 2023 to submit their ACT investment plan to the CTF Trust Fund Committee for endorsement.
	The CTF Trust Fund Committee is requested to approve the following decision: The CTF Trust Fund Committee notes the request submitted by the Government of India and approves the extension of the deadline to submit the ACT investment plan for endorsement by the Committee till November 2023.
