

Just Energy Transition Partnership (JETP) in South Africa - Proposal on use of remaining funds

Comment Type	Commenter Name	Commenter Profile	Comment	Date
Comment 1	daniel.menebhi@seco.admin.ch	Switzerland	<p>We understood that the support to JETP was financed through the administrative budget but only charged to CTF.</p> <p>Is this correct?</p>	6/14/2023 2:25:12 PM
Response 1	dlevymolner@worldbankgroup.org	CIF AU	<p>Thank you for this question. The JETP Secretariat work has been financed by the administrative budget approved to be drawn from CTF resources by the Joint TFCs as part of the FY22 Supplemental Budget approvals. No SCF resources have been used for JETP.</p> <p>After the CTF TFC approved this, it had to be re-submitted for approval by the 2 Committees jointly (CTF and SCF). This double approval workflow was decided by the CTF TFC in October 2022 (see paragraph 12).</p>	6/14/2023 4:28:53 PM
Response 2	daniel.menebhi@seco.admin.ch	Switzerland	<p>Thank you. In that case, we have no further comment and support the proposal.</p>	6/15/2023 6:59:20 AM
