<b>Expected Project Duration (no. of years):</b>	7 years		
<b>Explanation of Final Estimate of MDB Costs for Implementation Services:</b>	<i>Explain the exceptional circumstances and reasons.</i>		
<b>Justification for Proposed Stand-alone Financing (<sup>3</sup>):</b>			

<sup>1</sup> The term “project implementation services” refers to MDB support throughout project life cycle.

<sup>2</sup> A separate template needs to be presented for each project and program preparation grant request listed in the Investment Plan

<sup>3</sup> The justification should include an explanation of (i) why no linkages to ongoing or planned MDB financing have been possible or pursued, and (ii) the expected effectiveness of the proposed stand-alone SCF project in addressing the objectives and priorities of the country investment plan/strategy; and a confirmation that the proposed project forms part of the MDB’s agreed country assistance strategy.
