**Approval of PPCR funding for Water Resources Mobilization and Development Project (PROMOVARE) for Niger (AfDB)**

The PPCR Sub-Committee approves US\$22 million (US\$12.5 million in credits and US\$9.5 million in grants) in PPCR funding for the project, *Water Resources Mobilization and Development Project (PROMOVARE)*, as part of the Strategic Program for Climate Resilience for Niger.

The Sub-Committee notes the final estimate of costs for project implementation and supervision services and approves US\$167,500 for the final tranche of funding for such costs for AfDB.
