Approval of PPCR funding for Enhancing the Climate Resilience of Coastal Resources and Communities project in Samoa (IBRD)

The PPCR Sub-Committee endorses the allocation of an additional USD 5.0 million in PPCR grant resources to the project, *Samoa: Enhancing the Climate Resilience of Coastal Resources and Communities*, which has been endorsed under the Strategic Program for Climate Resilience for Samoa.

The PPCR Sub-Committee approves USD 14.6 million in PPCR grant funding for the project, *Enhancing the Climate Resilience of Coastal Resources and Communities*, submitted by the Government of Samoa and IBRD.

The Sub-Committee notes the final estimate of USD 800,000 for project implementation and supervision services and approves USD 400,000 for the final tranche of funding for such costs.
